Earn Discovery Miles and a play to pick a tile on the gameboard

- Every time you achieve a goal, you earn a play on the gameboard the following Wednesday. When you play the gameboard, you pick a tile which reveals hidden Discovery Miles. You can spend Discovery Miles on a range of rewards.
- Your play will be issued the following Rewards Wednesday, after reaching your goal, and will be available by the end of the day.
- You have until midnight on the Tuesday after your play was issued to use your play and earn Discovery Miles.

- Plays for late events will only reflect on the following Wednesday. This is because after you have used your week's plays, the gameboard tiles get revealed to you.
- Each gameboard is different and a new gameboard is released each week to your app.
