## DISCOVERY VITALITY ACTIVE REWARDS

Vitality Active Rewards encourages and rewards you for getting healthier, driving well and spending responsibly. When you achieve your exercise, drive or money goal, you'll get rewarded with Discovery Miles – our one rewards currency that you can spend on a range of exciting rewards of your choice.

### Who is eligible for Vitality Active Rewards?

- Vitality Active Rewards is available to Discovery Vitality, Discovery Insure and qualifying Discovery Bank clients, 18 years and older with an active policy or account. You need a compatible iOS or Android device to access this benefit in the Discovery app, Discovery Insure app and the Discovery Bank app. Download or update to the latest versions of the apps.
- If you have an active Vitality Health membership, you can get rewarded for achieving your weekly exercise goal. This means that each week you are set a personalised physical activity goal to achieve. These goals are clinically-informed and will guide you along specific and progressive exercise pathways to keep you motivated and getting active.
- If you have an active Vitality Drive membership through Discovery Insure, you can get rewarded for achieving your weekly driving goal. You can reach your goal each week by driving 100 consecutive kilometres event-free.
- If you are the primary account holder of a qualifying Discovery Bank account and have activated Vitality Money, you can get rewarded for achieving your money goal.

Get weekly rewards when you achieve your goals. Invite your friends to join and earn additional rewards when you reach your goals together. Depending on the rewards category you choose in the Discovery Vitality active rewards app, you will be able to select from the below list of items:

## **Earn Discovery Miles and a play to pick a tile on the gameboard**

- Every time you achieve a goal, you earn 100 Discovery Miles instantly and a play on the gameboard. When you play the gameboard, you pick a tile which reveals additional hidden Discovery Miles. You can spend Discovery Miles on a range of rewards.
- Your play will be issued the following Rewards Wednesday, after reaching your goal, and will be available by the end of the day.
- You have until midnight on the Tuesday after your play was issued to use your play and earn Discovery Miles.
- Plays for late events will only reflect on the following Wednesday. This is because after you have used your week's plays, the gameboard tiles get revealed to you.
- Each gameboard is different and a new gameboard is released each week to your app.
